

TRADITIONAL ADULT SESSIONS

Traditional adult sessions – for campers ages 22+ – offer structure and independence all in one. Adult campers are housed in gender-specific cabins with peers of similar age and ability. Skilled staff provide supervision for adult campers while encouraging independence and growth. Daily, we offer a large number of adapted, structured programs that campers are able to choose from. Outdoor activity skills, canoeing/fishing trips, and end of the session banquet dinners are unique offerings for our adult sessions.

SPECIALTY ADULT SESSIONS

Specialty adult sessions are being offered for campers who love being active! Fit & Fabulous Camp is for adults ages 40-60 who want a jam-packed, yet low-impact camp schedule; while the Young Adult Camp focuses on campers ages 22-40 looking for a non-stop, active weekend. Both sessions focus on introducing campers to a wide range of sports, leisure and recreation activities they can continue to pursue outside of camp. All campers must be able to manage their own activities of daily living independently and be able to participate in an active schedule. Staff to camper ratio is 2:8.

FAMILY SESSIONS

Bright Futures Family Sessions are geared towards the youngest campers and their immediate families. Families with a child ages 0 to 7 years with blindness or vision loss are invited to enjoy a relaxing, fun-filled weekend. For overnight sessions, families are housed in their own cabin – space permitting. Parent sessions, family programming and appropriate activities for children of all ages are included. Evenings culminate in an all-family activity followed by a traditional campfire. Meet new families while enjoying time with your own. Unable to join us for the whole weekend? Join us for the day! Apply early as spots are limited!

YOUTH SESSIONS

Youth Sessions are a great way for campers ages 7-21 with blindness or vision loss to experience summer camp! Campers are housed in gender-specific cabins with peers in the same age grouping. Youth campers spend their days traveling from camp activity to camp activity as a cabin group. Small groups (2:6 staff to camper ratio) and natural setting provide opportunities for our campers to grow individually and as a cabin. Kid and Tween campers participate in similar activity offerings and evening programs while Teen campers participate in separate, and more advanced, programming. Special offerings during youth sessions include: guest programs, equine-assisted therapy, overnight campouts, outdoor skills (specifically for our Teens), and an all-out, over the top THEME for all!

Youth Day Away

**CELEBRATING
90 YEARS**

Highbrook Lodge has been providing a quality summer camp experience for individuals with vision loss and blindness for 90 years.

- ☑ A Licensed Medical Professional is on-site for all adult and youth sessions.
- ☑ Well-balanced, nutritious meals are provided by our in-house chefs.
- ☑ Our staff members undergo appropriate pre-employment screenings and receive thorough training including first aid, CPR and AED.
- ☑ Camp activities include: arts & crafts, music & drama, nature, outdoor activities, sports & recreation, swimming, fishing & canoeing (off-site).
- ☑ Highbrook Lodge utilizes a strengths-based therapeutic recreation approach to promote health and wellness and continue to assist our campers of all ages in their vision rehab process. We work on increasing the camper's level of functioning, independence, and overall well-being through the camp experience.
- ☑ All camper applications are reviewed for approval by the Camp Manager prior to acceptance and registration. For questions on the level of care we are able to provide campers please call Cleveland Sight Center prior to applying.
