

March 2018

Highbrook Lodge provides a unique summer camp experience for those of **all ages** who are blind or have low vision, including those with multiple disabilities. We utilize a **recreational therapy** approach, and the benefits of our natural environment in **Chardon, Ohio**, to promote friendship, growth, independence, and confidence in our campers. As we enter our monumental 90th summer, we continue to strive to make the Highbrook Lodge experience better than ever!

Thousands of children, families and adults have walked the trails of Highbrook Lodge over the past 90 years. The enthusiasm, growth, and spirit at camp—all offered in a safe, well-supervised, supportive environment – makes Highbrook Lodge one of the best ways to spend a part of one’s summer.

I encourage you to take some time to look over the **enclosed brochure(s)** to learn more about the camp sessions we have to offer this summer. Please feel free to share this information with individuals you think would benefit from and enjoy Highbrook Lodge. While summer camp may be unfamiliar to them, I speak from experience when I say it will be unforgettable! I am continually excited about the opportunity to partner with new campers (and their families) to bring the opportunity of summer camp into their lives!

If you, or someone you know, has any questions about Highbrook Lodge please contact feel free to call or email me. Also check out our website www.clevelandsightcenter.org/highbrook-lodge. I would be happy to come speak/do a presentation for anyone that would be interested! Just please don’t wait too long to contact us – as camp is just around the corner!

New for 2018 – our registration process is completely [ONLINE](#)! Get your camper enrolled today!

Sincerely,

Lindsay Svarovsky, CTRS

Camp Manager
